

ISIS - Bug #4029

Font and font size preference not being used

2016-06-17 08:28 AM - Stuart Sides

Status: Rejected Priority: Normal Assignee: Marjorie Hahn Category: API Target version: 3.5.1 (2017-08-08 Aug) Impact: Software Version:	Test Reviewer:
Description It appears the IsisPreference font and fontsize values are not being honored within the gui. To reproduce: bring up any ISIS gui app, modify the font and fontsize in your IsisPreference file, bring up the same app and compare.
